FOR PROFESSIONAL NANNIES

WELCOME

In 1993 a former bookkeeper recognised a need in the domestic employment industry and introduced the concept of a dedicated, user-friendly payroll service for families who employ nannies. From his home, armed with nothing more than a calculator, a pen and a telephone, he began helping families with their nannies' PAYE and Nannytax was born.

Now, as part of Enable Ltd, Nannytax is delivering domestic payroll to well over 10,000 clients.

From the very beginning Nannytax has been much more than a simple payroll service, offering support and advice throughout the whole employment process. Product excellence is matched by our reputation for delivering a superior service, not only to our clients but their nannies and the nanny agencies that place them.

As the needs of this industry evolve and as the regulations that affect it change, we adapt to ensure our clients and their nannies continue to have access to the services they need.

Working in partnership with Fish Insurance, Nannytax, as part of Enable Ltd, is proud to provide Nannyinsure, a Public Liability Insurance policy specifically designed for professional nannies. With twenty years of payroll and domestic employment experience, and a team of friendly, experienced staff you can be confident of carrying out your professional duties knowing you are protected against anything unfortunate. A Nannyinsure policy also meets the requirements for Ofsted Registration; criteria that is becoming increasing in demand within the profession.

We hope you find this policy document useful in ensuring you get the most out of your insurance policy. Please take the time to read your policy wording, the Nannyinsure Terms of Business, Insurance Product Information Document and Schedule (enclosed with your documents) as they contain vital information about your policy.

Thank you for choosing Nannyinsure.
